COURSE GOALS AND LEARNING OUTCOMES

Explain the essential characteristics of cloud services; describe cloud deployment and service models; describe the organizational capabilities and implications for the successful adoption of cloud computing; describe cloud infrastructure and enabling technologies; create, manage, and scale a virtual server in a cloud environment; describe maintenance operations and security in the cloud; and identify business drivers for cloud computing.

Learning outcomes are linked to SCANS requirements. Specific SCANS requirements are linked to the class schedule.

Upon successful completion of this course, students will:

1. Identify the essential characteristics of Cloud services (1a, 1b, 2c).
2. Describe the steps for successful Cloud adoption (1a, 1b, 2c).
3. Describe data center infrastructure management (1a, 1b, 2c).
4. Identify business drivers for Cloud computing (1a, 1b, 2c).

COURSE ASSESSMENT

Student success is measured by a variety of assessment techniques aligned with course goals and learning outcomes. Individual faculty members are responsible for designing evaluation instruments to measure student mastery of course goals and learning outcomes and indicating the nature of such evaluation instruments in the instructor's class requirements.

STUDENT ACCESSIBILITY RESOURCES

Any student with a documented disability needing academic accommodations is required to contact the Student Accessibility Resources (SAR) Office located on each campus to schedule an appointment with the Coordinator of SAR. All discussions are

confidential.

Because SAR accommodations may require early planning and are not provided retroactively, students are encouraged to contact SAR as early in the semester as possible. SAR is responsible for approving and coordinating all disability-related services. TCC professors will honor requests for accommodation when they are issued by SAR.

SCHOLASTIC DISHONESTY

Students are responsible for adhering to the TCCD policy on scholastic dishonesty as stated in the online student handbook at www.tccd.edu.
